	Democrat	100	0	1
	ALC	33	67	6
	Total	47	53	100
	N	1309	1462	2771

Notes: The NZES is weighted from the rolls by gender, age, and Maori electorate/general electorate, and the official results.

Vote/Nonvote is additionally based on corrections made from the marked rolls.

The gender bias towards women in the total appears to be a reflection of the rolls that may slightly over-represent women.

The 2005 NZES was conducted by mail with a response rate of about 45%.
